Description of the need for the information and proposed use: RAD allows Public Housing, Mod Rehab, Rent Supp, RAP, and 202 PRAC properties to convert to long-term project-based Section 8 rental assistance contracts. Participation in the demonstration is voluntary and HUD approval is discretionary. Participating Public Housing Agencies (PHAs) and Multifamily Owners are required to submit documentation for processing and completing the conversion. Through these documents (collectively, the RAD documents), HUD evaluates whether the PHA or owner has met all of the requirements necessary to complete conversion as outlined in Housing Notice 2019-09/PIH Notice 2019-23 (HA) Rental Assistance Demonstration – Final Implementation Notice (RAD Notice) Revision 4 and Housing/PIH Notice 2016-17 - Rental Assistance Demonstration (RAD) Notice Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component – Public Housing Conversions or successor notices. The RAD processing request is made through a Web-based portal. Overall, the RAD documents and information requested through such

documents allow HUD to determine which applicants continue to meet the eligibility and conversion requirements. Finally, all applicants will be required to sign the appropriate contractual documents to complete conversion and bind both the applicant and HUD, as well as set forth the rights and duties of the applicant and HUD, with respect to the converted project and any payments under that project. This is a revision request of a currently approved collection. Several changes have been made under both components of RAD. The changes under the First Component of RAD are as follows: the inclusion of the RAD Application under this ICR (formerly under OMB Approval Number 2577-0278), the reorganization and streamlining of RAD Fair Housing, Civil Rights, and Relocation Submission Requirements, an update of all forms to reflect programmatic changes and improvements over the past three years, the replacement of a rider to an existing PBV HAP contract with a single contract form that incorporates all requirements into a single form, the creation of a survey of new contract voucher administrators to ensure that the amount of funding provided for converted properties is adequate, and the creation of a Post-Closing Completion Certification form for owners to document compliance with certain requirements. In addition, under the Second Component of RAD, the changes are as follows: the creation of the Submission of Interest for owners to connect with HUD for technical assistance, the creation of HAP contracts for the conversion of Project Rental Assistance Contract (PRAC) to PBRA and PBV as well as the new Elderly Housing Use Agreement to be recorded on PRAC properties that have converted through RAD, an update of all forms to reflect programmatic changes and improvements over the past three years, and the implementation of the Mod Rehab data, a collection of owner information requested. Both Components of RAD will now have the incorporation of a Conversion Plan under the Second Component, modeled after the Financing Plan used in the First Component. Both components will also now include a collection of a post-closing completion certification to monitor compliance with requirements agreed to, as part of the conversion, and ensuring that any

and all record-keeping that PHAs and owners must undertake to comply with requirements under the RAD Notice is acknowledged under this ICR.
